

# Seasonal Class 1 Driver

Lambourne Environmental Ltd. is looking for a responsible, full-time seasonal worker to drive a newer model tractor hauling our tanker-trailer on sludge dewatering and lagoon maintenance projects throughout Alberta. We offer competitive wages, transportation, accommodations, and a daily living allowance when on a project.

## **Job Responsibilities**

- Safely drive a tractor-tanker unit from lagoons to fields, including some gravel and off-road driving
- Land apply biosolids on farmers fields as directed by the field manager
- Routinely inspect equipment and fill out driver's logs, safety forms, etc.

## **Job Requirements**

- Valid class 1 licence – experience required
- Willingness to work away from home for extended time
- High school diploma or equivalent
- Drug and alcohol policy in place

## **Why Lambourne Environmental?**

At Lambourne Environmental, we take pride in our hard work and we understand that our success is not possible without excellent employees. That is why we offer competitive wages and a team-oriented culture. We are an established company based in Red Deer that carries out work throughout Western Canada.

The safety of our employees is very important to us; we are COR Certified, have a Drug and Alcohol policy in place, and emphasize a safety-oriented culture, policies, and practices.

Lambourne Environmental specializes in lagoon cleaning, desludging, and dewatering throughout Western Canada. For more information about what we do, visit us at [www.lambourne.ca](http://www.lambourne.ca).
